Sir:

Applicant's counsel, David R. Cochran, in a telephonic interview, discussed the above-identified patent application with Examiner Anh-Quan Tra on 16 June 2003. In particular, claim 16 was discussed. Applicant pointed out that the previous and current Office Actions did not provide any reference with respect to the rejection of dependent claim 16. No agreement was reached on claim 16. Applicant requested that the finality of the current Office Action be removed since the Office Action did not provide references to support rejection of claim 16.

Respectfully submitted,

LEONARD FORBES ET AL.
